TO OUR CUSTOMERS:

We appreciate the business you have given us and we shall continue to do our level best to serve you well.

Strong early demand from our regular customers has already sharply reduced our salable inventory of nursery stock, so that we will have a limited amount to offer for sale to the trade generally on some prime items. This is particularly true with regard to apples and some balled and burlapped evergreens.

May we suggest that you write us about your needs as early in the season as you are able to do so.

Cordially yours,
